

GUIDELINES FOR POSTER PRESENTATIONS

The Organising Committee of the **14th World Conference on Titanium** will do its utmost to help authors for their presentations and to facilitate their arrival and stay at the conference.

Poster exhibition will take place from Tuesday to Friday next to the exhibition area on the 1st floor of the **La Cité, Nantes Event Center**.

The posters will be discussed in front of the poster board during the dedicated sessions on Tuesday and Wednesday afternoon.

Please hang your poster during the mounting allocated time on Tuesday, June 11, 2019. Posters should be displayed for the entire duration of the conference.

Set-up/ Removal instructions

| | | |
|-------------------------------|-------------------------------|---------------------|
| Mounting (poster area) | Tuesday, June 11, 2019 | From 08:00 to 15:00 |
| Removing (*) | Friday, June 14, 2019 | From 08:00 to 12:00 |

() Poster should be removed at the stated times.*

The organisers are not responsible for loss or damage of those posters which are not removed by authors within the times of dismantling as indicated above. Authors will not be able to retrieve posters they have not removed in time.

Poster sessions

In the dedicated session slot, the presenting author must be available next to his/her dedicated panel to present and discuss the poster.

| | |
|---|---------------------|
| Tuesday, June 11, 2019 and Wednesday, June 12, 2019 | From 17:30 to 19:30 |
|---|---------------------|

Poster dimension and format

The poster must not exceed **130 cm in height and 90 cm in width, PORTRAIT ONLY. A0 size is recommended.**

Language:

Your poster must be written in **ENGLISH**.

Poster Contents:

Each poster should contain, in addition to the scientific elements, the title of the selected abstract as submitted, and the full names and affiliation of contributing authors.

Text, tables and drawings for figures should be large enough to be seen from a 2 metres distance. Illustrations should be used to convey important points; diagrams, graphs, bar charts, scatter grams, pie charts and photographs will enhance your presentation.

Make short statements, avoid long explanatory sentences.

Materials

Your poster should not exceed **130 cm high and 90 cm wide (Portrait only)** in order to fit the poster board. Prepare your material beforehand so that it will fit neatly into the space available and can be easily attached to the board. Suitable fixing materials will be provided by the Conference organisers. There will be a poster helpdesk close to the poster area, where staff will be happy to assist you.
