

## ABSTRACT SUBMISSION GUIDELINES FOR AUTHORS

**Deadline to submit your late-breaking abstract  
31 January 2019, 23:59 CET**

We are pleased to welcome you on the abstract submission website for the **14<sup>th</sup> World Conference on Titanium** that will take place in **Nantes, 10-14 June 2019**.

You can submit your abstract until **31 January 2019, 23:59 CET** for an oral communication or a poster presentation.

- Abstracts will be selected by a Selection Committee **after reviewing by members of the Ti2019** scientific committee.
- Abstracts must be submitted in English.
- Abstracts can only be submitted online via the online abstract submission: <http://www.titanium2019.com>
- Abstracts sent by fax, post or email will not be accepted.
- The notification of acceptance will be sent on February 2019.

We kindly ask you to read these guidelines before submitting your abstract.

If you have any query, please contact the scientific secretariat:  
[scientific@titanium2019.com](mailto:scientific@titanium2019.com) or by phone : +33 (0)1 53 85 82 80

## A - RULES

1. Abstracts can only be submitted online via the online abstract submission. Abstracts sent by post or email will not be accepted. You can submit your abstract **until 31 January 2019, 23:59**.
2. The **grouping of data** from the same work is highly recommended. Cutting a study in two abstracts is prohibited and will be sanctioned by the refusal of abstracts.
3. The selection committee has defined the topics. **A reviewing committee will review the submitted abstracts**. The reviewing committee will ensure that the chosen topic by the author is adequate. The notification of acceptance will be sent on early March 2019.
4. The submission of an abstract implies the author to register to **Ti-2019** to present her/his communication.

## B – SUBMISSION TOPICS

### TOPICS

- Additive and near net shape manufacturing
- Aerospace Applications
- Biomedical and Healthcare Applications
- Environmental Behavior
- Extraction and Powder Production
- Intermetallics and MMCs
- Marine, Gas and Other Industrial Applications
- Melting and Casting
- Microstructure – properties relationships
- Microstructure evolution
- Wrought Processing and Fabrication

**The committee reserves the right to change the topics.**

## C – ABSTRACT STRUCTURE

1. There's no mandatory structure
2. **Abstract's length** : The abstract must contain at least 1,000 characters and cannot contain more than 3,500 characters (blank spaces, punctuation included. The authors' affiliation and titles are not included).
3. **Figures**: You can insert 2 figures. Figures must not exceed 1000 pixels in width or height.
4. **Special characters** : **you can insert special characters** (ex : greek letters) and format your text (ex : underline, bold ou italic).

## D – TECHNICAL GUIDELINES

### 1. Account creation and submission of the first abstract

- During your first submission, you will receive two emails
  - ✓ The first to confirm the creation of your account. It is recommended to keep in reference your user name, your password and the answer to the secret question.
  - ✓ The second to confirm the submitted abstract and its reference number. All pop-up blockers should be turned off
- Correspondence relating to the abstract will be sent by default to the abstract submitter.
- Before submitting the abstract, you will be asked to carefully check the abstract preview.
- Please kindly note that "\*" indicates a mandatory field. The system will inform you if you have not fulfilled all the mandatory field to submit your abstract.
- You can edit your abstract until the deadline with your username and password.

### 2. Submission of another summary

- For submission of another abstract, you will not need to re-enter your details. At the end of the first submission, the system will offer to submit another abstract. You can also submit later by returning to your account. If the password is forgotten, you may request to send a reminder email.

### 3. List of authors

- By clicking the button "Add author" you can add co-authors in your abstract. First author is automatically already entered but you can modify it.
- Please enter the full name (in full) in lower case (first letter capitalized). In the case of a middle name or first name composed, if you want the original second appears in the abstract, you must fill out the "middle name" field.
- You can change the order of authors by using the arrows.
- The authors and co-authors must declare any financial or other interests with a company in connection with the work presented.
- In the final submission, the co-authors will receive by email a confirmation of the submission.

### 4. Your abstract

- Write or copy / paste your abstract inside the fields
- Do not repeat the title of your resume, the names of authors or headers of each field that will be automatically added to your abstract.

NEVER USE YOUR BROWSER'S RETURN BUTTON (you might lose all of your data).

Instead, please use the previous/next button provided at the bottom of each page.

If you accidentally hit your navigator's return button, click on the forward button to return to the page
